KASASA CASH SAVER

Rate Information: This Account is an interest bearing account. If the daily balance is less than \$25,000.01, the interest rate paid on that portion of the balance will be 4.89%. The annual percentage yield for this tier will be 5.00%. If the daily balance is more than \$25,000.00 the interest rate paid on that portion of the balance will be 0.50%. The annual percentage yield for this tier will range from 5.00% to 0.52%.

The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account at any time. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day.

Limitations: You must deposit \$50.00 to open this account.
